

# JOCELYN RIVARDE

2020 EAO SCHOLARSHIP RECIPIENT

**PEARL RIVER HIGH SCHOOL**

Jocelyn Rivarde is a recent graduate of Pearl River High's class of 2020. She graduated as valedictorian with a final GPA of a 4.6. While in high school, Jocelyn participated in three varsity sports, including volleyball, power lifting, and softball. Jocelyn also was an active member of talented theatre and several clubs such as National Honor Society, Student Council, and Global Travelers. She received the honor of Student of the Year during her senior year, and was also a recipient of the Harvey L. Foster award Professional Women of St. Tammany award, and the Chevron Athlete Scholar award. Along with those honors, she was an academic all-state player for volleyball and powerlifting.

Jocelyn is the daughter of Jason and Rebecca Rivarde, two proud parents. She will continue her academic career on an academic scholarship to the University of Louisiana at Lafayette. She has chosen to major in chemical engineering and to minor in biomedical engineering. She hopes to use her knowledge to help advance the technologies and medicines of the medical field to make the practice of medicine much more efficient and easier for patients and doctors. Jocelyn has extremely high hopes for her future and will continue to reach the high expectations she has set for herself.

## Highlights
